My dear friend:

There is very little I can add to the following letter sent to his many friends by George Jessel:

"The tiny little house of worship called the Actor's Temple wishes to do its little bit in the great struggle by sending cigarettes to the boys of the various fighting fronts overseas. It is not a bad idea that a little smoke that is so enjoyed by the men at the front should come from a little synagogue at New York. It is good for democracy and tolerance and the American way of life, that perhaps a young Catholic or Protestant should say to an Arab in Casablanca, 'Here, buddy, have a butt, they were sent to me by a little synagogue in New York.'

"To send a carton of 200 cigarettes costs a little over 50¢. So please chip in. \$25.00 will buy about 10,000 cigarettes, which means 500 fighting men will benefit by your generosity. Anything you can spare, whether it be \$25.00 or \$2500.00 will make a lot of men happy."

In view of the above, I feel that this request to my friends will deserve your earnest response.

Please pin your check to this letter. Make it payable to the Actor's Temple Cigarette Fund, or to Emanuel M. Cohan, Treasurer.

Sincerely yours,

Emanuel M. Cohan
Treasurer
